THE MEETING ROOM

Improve communication with designs that ease connections between people and technology. Choose conference tables from a wide variety of sizes, configurations, and options to support any group, space, or tech requirements. Add a media wall to expand digital communication and display areas without compromising floor space.

THE PRIVATE OFFICE

A private office should free people to do their best thinking, instead of shutting them in. Intermix supports this process with storage and shelving options that make the most of vertical space while creating a clean, open look that instantly invites collaboration.
